REVIEW OF WALLOP MRS. COX': "...this pulsating, heart-stirring show brimming with excitement, humour and pathos- a cracker of a musical. John Adams's production brims with talent ....'Feed My Lambs', John Clay's magnificent show-stopper as Holy Joe, never fails to enthrall, delivered in a huge voice that matches his impressive frame. The first-night audience was in raptures." [What's On] He can be seen on U Tube singing "Feed my Lambs"
